

# ***RFI - 001***

## **The Construction of Two Pumped Storage Plants at Gilboa and Manara (300MW & 200MW respectively) - Israel**

PSP Investments Ltd hereby invites interested parties to respond to this Request for Information ("RFI") regarding a proposed future tender to build two Pumped Storage Power Plants. This RFI seeks to identify qualified contractors specializing in construction of underground Pumped Storage Power Plants and collect the industry's perspective and feedback on the Project. The intended construction scope of work will include Tunneling, Vertical Shaft, Excavation of Power House Cavern, Concrete structures, and Electro-Mechanical equipment installation.

Contractors interested in replying will be requested to fill RFI documents. Please contact Mr. Ronel Laurent in order to receive the RFI Documents: [ronel@adyr.co.il](mailto:ronel@adyr.co.il)  
Deadline for submission – December 1, 2010
