

EXPRESSION OF INTEREST

The supply, implementation, testing and commissioning of a general insurance system

KPMG has been engaged to provide Project Management services related to the selection and successful implementation of an appropriate system to run our client's general insurance (hereinafter referred to as "General Insurance System", or "GIS").

Qualifying criteria

Interested bidders, with the technical, legal, financial and operational capacity to provide desired service, must evidence the following:

1. Name of the system to be proposed, and its original equipment manufacturer (OEM);
2. Confirmation that proposed system is **ACORD** compliant;
3. Confirmation that proposed system is web based and built on a SOA architecture; and
4. Previous experience in delivering similar services (list of clients).

Registration and participation

Interested bidders are required to send an email to (projectsky@kpmg.co.ke) to register their interest to participate in our client's EOI process. As a minimum, the following information should be included in this email:

1. Information requested under qualifying criteria above;
2. Organization name, country of registration and date of registration; and
3. Contact person and address, including email and phone number.

Following receipt of the above registration email, KPMG Project team will send out the document guiding preparation and submission of EOI responses to individual bidders.
